**International Conference on  
“Sustainable Development: *Panch Mahabhoot*  
for Environmental and Social Harmony”**

**8-9-10 December, 2022**

***Anubhuti-'Atulya Bharat' ki*** (Feel the magnificent and incomparable India). *Atulya Bharat* is our soul-strength-inner source of inspiration and pride. India has been guiding the humanity as global guru for many centuries. The vision of the oneness of humankind, termed as *Vasudhaiv Kutumbakam* in Sanskrit language, is given by the seekers and saints of India since ancient time as *Sanatan Sanskruti* (Immortal Culture).

Dr. B R Ambedkar University of Social Sciences (BRAUSS) is a State University, set up by the Government of Madhya Pradesh. BRAUSS is a unique model of integration of social sciences perspectives and approaches with scientific and technological advancement for socio-economic development and educational excellence of scheduled castes, scheduled tribes and other backward classes.

Under the Scheme for Trans-disciplinary Research for India's Developing Economy (STRIDE) of University Grants Commission (UGC), Government of India, BRAUSS is promoting trans-disciplinary research culture among faculty and research scholars for undertaking social action research to analyze local, regional, national problems pertaining to social, cultural, economic and environmental aspects of sustainable development. BRAUSS has adopted social action research model to train teachers and scholars to *support high impact transdisciplinary research* as envisaged in the UGC STRIDE Component-I, to inculcate multidisciplinary research culture as envisioned by the National Education Policy (NEP2020) and to achieve Sustainable Development Goals 2030 (SDGs2030).

BRAUSS under UGC STRIDE Component-I is organizing a three-day international conference on transdisciplinary, multidisciplinary research-interrelationship- interdependency of ***Panch-Mahabhoot*** to maintain environmental and social harmony for ***Sustainable Development***. The international conference is being organized in joint collaboration with National Academy of Sciences, India; Society of Life Science, Satna; Madhya Pradesh Council of Science & Technology, Bhopal; Adarsh Institute of Management & Science, Dhamnod; Zoological Society of India; and Association of Homa Therapy, Germany, to impactfully implement the NEP2020 and to achieve sustainable development goals (SDGs) 2030 in the post-COVID-19 pandemic era for the betterment of mankind.
